3 (b) Notice to other states.--Multiple licensure shall be
4 noted by the board on the individual's record and the state,
5 territory, or possession of the United States or another country
6 that licensed the individual shall be notified by the board of
7 disciplinary action taken against the licensee in this
8 Commonwealth.

9 CHAPTER 7

10 ADMINISTRATION AND ENFORCEMENT

11 Section 701. Fees, fines and civil penalties.

12 (a) Fees.--

13 (1) Fees required under this act shall be fixed by the
14 board by regulation and shall be subject to the act of June
15 25, 1982 (P.L.633, No.181), known as the Regulatory Review
16 Act.

17 (2) If the revenues raised by the fees, fines and civil
18 penalties imposed under this act are insufficient to meet
19 expenditures over a three-year period, the board shall
20 increase those fees by regulation so that projected revenues
21 will meet or exceed projected expenditures.

22 (b) Fee increase.--If the Bureau of Professional and
23 Occupational Affairs determines that the fees established by the
24 board under subsection (a) are insufficient to meet the minimum
25 enforcement efforts required by this act, the Bureau of
26 Professional and Occupational Affairs, after consultation with
27 the board and subject to the Regulatory Review Act, shall
28 increase the fees by regulation in an amount such that adequate
29 revenues are raised to meet the required enforcement effort.

30 (c) Account.--Fees, fines and civil penalties imposed in

1 accordance with this act shall be paid into the Professional
2 Licensure Augmentation Account established under and for use in
3 accordance with the act of July 1, 1978 (P.L.700, No.124), known
4 as the Bureau of Professional and Occupational Affairs Fee Act.

5 (d) Renewal fee.--The board may charge a fee, as set by the
6 board by regulation, for licensure, for renewing licensure and
7 for other services of the board as permitted by this act or by
8 regulation.

9 Section 702. Violations.

10 (a) General rule.--An individual or the responsible officer
11 or employee of a corporation, partnership, firm or other entity
12 who violates a provision of this act or a regulation of the
13 board commits a misdemeanor of the third degree and shall, upon
14 conviction, be sentenced to pay a fine of not more than \$2,000
15 or to imprisonment for not more than six months for the first
16 violation. For the second and each subsequent conviction, the
17 person convicted shall be sentenced to pay a fine of not less
18 than \$2,000 nor more than \$5,000 or to imprisonment for not less
19 than six months nor more than one year, or both.

20 (b) Civil penalty.--In addition to any other civil remedy or
21 criminal penalty provided for in this act, the board by a vote
22 of the majority of the maximum number of the authorized
23 membership of the board as provided by law or by a vote of the
24 majority of the qualified and confirmed membership or a minimum
25 of five members, whichever is greater, may levy a civil penalty
26 of up to \$10,000 for any of the following:

27 (1) A licensee who violates a provision of this act or
28 regulation of the board.

29 (2) An individual who performs or contracts to perform
30 electrical services in violation of this act.

1 (3) An individual who holds the individual out as
2 someone authorized to perform electrical services without
3 being properly licensed as provided for in this act.

4 (4) The responsible officers or employees of a
5 corporation, partnership, firm or other entity violating a
6 provision of this act.

7 (c) Procedure.--The board shall levy the civil penalty
8 specified in subsection (b) only after affording the accused the
9 opportunity for a hearing as provided for in 2 Pa.C.S. (relating
10 to administrative law and procedure).

11 Section 703. Suspension, revocation or refusal to issue
12 license.

13 (a) General authority.--The board may refuse to issue,
14 suspend or revoke a license if the board finds:

15 (1) The licensee is negligent or incompetent in the
16 performance of electrical services.

17 (2) The licensee is unable to perform electrical
18 services with reasonable skill and safety by reason of mental
19 or physical illness or condition or physiological or
20 psychological dependence upon alcohol, hallucinogenic or
21 narcotic drugs or other drugs which tend to impair judgment
22 or coordination, as long as the dependence continues. The
23 following apply:

24 (i) In enforcing this paragraph, the board may, upon
25 probable cause, compel a licensee to submit to a mental
26 or physical examination as designated by the board.

27 (ii) After notice, hearing, adjudication and appeal,
28 failure of a licensee to submit to an examination when
29 directed shall constitute an admission of the allegations
30 unless failure is due to circumstances beyond the

1 licensee's control, consequent upon which a default and
2 final order may be entered without the taking of
3 testimony or presentation of evidence.

4 (iii) An individual affected under this paragraph
5 shall at reasonable intervals be afforded the opportunity
6 to demonstrate that the individual can resume competent,
7 safe and skillful performance of electrical services.

8 (3) The licensee has violated a provision of this act or
9 a regulation of the board.

10 (4) The licensee has committed fraud or deceit in:

11 (i) the performance of electrical services; or

12 (ii) securing licensure.

13 (5) The licensee has been convicted of a felony or a
14 crime of moral turpitude or been convicted of a misdemeanor
15 related to providing electrical services or received
16 probation without verdict, disposition in lieu of trial or an
17 Accelerated Rehabilitative Disposition in the disposition of
18 felony charges in the courts of this Commonwealth, the United
19 States, another state, territory or possession of the United
20 States or another country.

21 (6) The licensee has had the licensee's license to
22 practice as an electrician or electrical contractor suspended
23 or revoked or has received other disciplinary action by the
24 proper licensing authority in another state, territory or
25 possession of the United States or another country.

26 (7) With respect to the provision of electrical
27 services, the licensee has acted in such a manner as to
28 present an immediate and clear danger to health, safety or
29 property.

30 (8) The licensed electrical contractor failed to

1 properly direct and supervise licensed electricians and
2 licensed apprentice electricians who perform under a
3 contract.

4 (9) In the case of a licensed electrician responsible
5 for the direct onsite supervision of a licensed apprentice
6 electrician, the licensed electrician failed to provide the
7 proper supervision.

8 (10) The licensee possessed, used, acquired or
9 distributed a controlled substance.

10 (11) The licensee has been guilty of unprofessional
11 conduct, including departure from or failing to conform to
12 operating practices or professional standards embraced by the
13 licensed electricians' community in this Commonwealth and
14 failing to conform to recognized electrical safety standards,
15 including the National Electrical Code in effect in this
16 Commonwealth, and applicable municipal ordinances related to
17 health and safety. In a proceeding based on this paragraph,
18 actual injury to a person or damage to property need not be
19 established.

20 (12) The licensee falsely advertised or made misleading,
21 deceptive, untrue or fraudulent material representations
22 regarding licensure or in the performance of electrical
23 services.

24 (13) Unless waived by the board in accordance with
25 section 503, the licensee failed to satisfy the continuing
26 education requirements of this act.

27 (b) Acts authorized.--When the board finds that the license
28 of an individual may be refused, suspended or revoked under
29 subsection (a), the board may:

30 (1) Deny the application for a license.

1 (2) Impose a fine.

2 (3) Administer a public reprimand.

3 (4) Suspend, revoke, limit or otherwise restrict a
4 license.

5 (5) Require a licensee to submit to the care, counseling
6 or treatment of a physician or a psychologist designated by
7 the board.

8 (6) Suspend enforcement of the board's finding and place
9 a licensee on probation with the right to vacate the
10 probationary order for noncompliance.

11 (7) Restore or reissue, at the board's discretion, a
12 suspended license and impose any disciplinary or corrective
13 measure which the board might originally have imposed.

14 Section 704. Suspensions and revocations.

15 A suspension or revocation shall be made only in accordance
16 with the regulations of the board and only by majority vote of
17 the members of the board after a hearing. An action of the board
18 shall be taken subject to the right of notice, hearing and
19 adjudication and the right of appeal, in accordance with the
20 provisions of 2 Pa.C.S. (relating to administrative law and
21 procedure). The board, by majority action and in accordance with
22 the board's regulations, may reissue a license which has been
23 suspended. If a license has been revoked, the board shall
24 reissue a license only in accordance with section 706.

25 Section 705. Temporary and automatic suspensions.

26 (a) Procedure.--

27 (1) A license issued under this act may be temporarily
28 suspended under circumstances determined by the board to be
29 an immediate and clear danger to public health, safety or
30 property. The board shall issue an order of temporary

1 suspension without a hearing, but upon due notice, to the
2 licensee concerned at the licensee's last known address,
3 which shall include a written statement of all allegations
4 against the licensee. The provisions of section 704 shall not
5 apply to temporary suspension.

6 (2) The board shall commence formal action to suspend,
7 revoke or restrict the license of the individual as otherwise
8 provided for in this act.

9 (3) All actions shall be taken promptly and without
10 delay.

11 (4) Within 30 days following the issuance of an order
12 temporarily suspending a license, the board shall conduct or
13 cause to be conducted a preliminary hearing to determine if
14 there is a prima facie case supporting the suspension. The
15 individual whose license has been temporarily suspended may
16 be present at the preliminary hearing and may be represented
17 by counsel, cross-examine witnesses, inspect physical
18 evidence, call witnesses, offer evidence and testimony and
19 make a record of the proceedings.

20 (5) If it is determined that there is not a prima facie
21 case, the suspended license shall be immediately restored.
22 The temporary suspension shall remain in effect until vacated
23 by the board, but in no event longer than 180 days.

24 (b) Commitment of licensee.--

25 (1) A license issued under this act shall automatically
26 be suspended upon:

27 (i) the legal commitment of a licensee to an
28 institution because of mental incapacity from any cause
29 upon filing with the board a certified copy of the legal
30 commitment;

1 (ii) conviction of a felony under the act of April
2 14, 1972 (P.L.233, No.64), known as The Controlled
3 Substance, Drug, Device and Cosmetic Act; or

4 (iii) conviction of an offense under the laws of
5 another jurisdiction, which, if committed in this
6 Commonwealth, would be a felony under The Controlled
7 Substance, Drug, Device and Cosmetic Act.

8 (2) Automatic suspension under this subsection may not
9 be stayed pending an appeal of a conviction.

10 (3) Restoration of the license shall be made as provided
11 in the case of revocation or suspension of a license.

12 Section 706. Reinstatement of license.

13 Unless ordered to do so by Commonwealth Court or an appeal
14 therefrom, the board may not reinstate an individual's license
15 that has been revoked. An individual whose license has been
16 revoked may reapply for a license after a period of at least
17 five years but must meet all of the licensing requirements of
18 this act.

19 Section 707. Surrender of suspended or revoked license.

20 An individual whose license has been suspended or revoked
21 shall return the license in such manner as the board directs.
22 Failure to surrender the license, shall be a misdemeanor of the
23 third degree.

24 Section 708. Injunction.

25 When, in the judgment of the board, a person has engaged in
26 an act or practice that constitutes or will constitute a
27 violation of this act, the board or its agents may make
28 application to the appropriate court for an order enjoining the
29 act or practice. Upon a showing by the board that the person has
30 engaged or is about to engage in the act or practice, an

1 injunction, restraining order or other order as may be
2 appropriate shall be granted by the court. The remedy by
3 injunction is in addition to any other civil or criminal
4 prosecution and punishment.

5 Section 709. Subpoenas and oaths.

6 (a) Authority granted.--

7 (1) The board may issue subpoenas, upon application of
8 an attorney responsible for representing the Commonwealth in
9 disciplinary matters before the board, for the purpose of
10 investigating alleged violations of this act or regulation of
11 the board. The board may subpoena witnesses, administer
12 oaths, examine witnesses and take testimony or compel the
13 production of books, records, papers and documents as the
14 board may deem necessary or proper in and pertinent to any
15 proceeding, investigation or hearing held or had by the
16 board.

17 (2) The board may apply to Commonwealth Court to enforce
18 any subpoena of the board.

19 (3) The court may impose limitations in the scope of the
20 subpoena as is necessary to prevent unnecessary intrusion
21 into client confidential information.

22 (b) Disciplinary matters.--An attorney authorized to
23 represent the Commonwealth in disciplinary matters before the
24 board shall maintain current records of all reported alleged
25 violations and shall periodically review the records for the
26 purpose of determining that each alleged violation has been
27 resolved in a timely manner.

28 Section 710. Municipalities.

29 (a) Municipal license prohibited.--

30 (1) Licensure under this act shall be acceptable to a

1 municipality in this Commonwealth as proof of competence to
2 perform electrical services, and no municipality may require
3 an individual licensed under this act to obtain an additional
4 license to perform electrical services.

5 (2) Unless otherwise provided in this act, a local
6 ordinance or regulation concerning the qualifications,
7 fitness and competence of individuals to perform electrical
8 services is preempted and superseded.

9 (b) Certain powers preserved.--Nothing in this act may be
10 construed to prevent a municipality from:

11 (1) levying lawful taxes and fees;

12 (2) requiring the purchase of a business privilege
13 license that is unrelated to demonstrating competence in the
14 performance of electrical services;

15 (3) denying or revoking permits for failing to comply
16 with ordinances that are not inconsistent with this act or
17 regulation of the board;

18 (4) enforcing ordinances related to health and safety;

19 or

20 (5) pursuant to an ordinance, inspecting or regulating
21 the manner in which electrical services are performed.

22 CHAPTER 21
