19 home inspection and the home is occupied, the home inspector  
20 shall disclose the immediate threat to health or safety to the  
21 property owner and occupants of the property at the conclusion  
22 of the home inspection. Posting a notice on a form prescribed by  
23 the board by regulation on the front door of the occupied home  
24 in a position that ensures the occupants see the notice shall
