7 “(B) shall establish policies to ensure that
8 an inmate who is considered a protection case
9 shall, upon request of the inmate, be placed in
10 a general population protective custody unit;

11 “(C) shall create an adequate number of
12 general population protective custody units to—

13 “(i) accommodate the requests of in-
14 mates who are considered to be protection
15 cases; and

16 “(ii) ensure that inmates who are con-
17 sidered to be protection cases are placed in
18 facilities as close to their homes as prac-
19 ticable; and

20 “(D) may not place an inmate who is con-
21 sidered to be a protection case in solitary con-
22 finement due to the status of the inmate as a
23 protection case unless—

24 “(i) the inmate requests to be placed
25 in solitary confinement, in which case, at

1 the request of the inmate the inmate shall
2 be transferred to a general population pro-
3 tective custody unit or, if appropriate, a
4 different general population unit; or

5 “(ii) such confinement is limited to—

6 “(I) not more than 5 days of ad-

20 sional finds is likely to be exacerbated by place-
21 ment in solitary confinement, is pregnant or in
22 the first 8 weeks of the postpartum recovery pe-
23 riod after giving birth, or has been determined
24 by a licensed mental health professional to like-

2 ment in solitary confinement, unless—

3 “(i) the inmate poses a substantial
4 and immediate threat;

5 “(ii) all other options to de-escalate

11 an attempt to de-escalate the situa-

20 “(iv) such confinement is reviewed by
21 a multidisciplinary staff committee for ap-
22 propriateness every 24 hours; and

2 from solitary confinement, to—

3 “(I) a general population unit;
4 “(II) a protective custody unit
5 described in paragraph (3); or
6 “(III) a mental health treatment
7 program as described in subsection

14 or any successor thereto), or gender noncon-
15 forming (as defined in section 115.5 of title 28,
16 Code of Federal Regulations, or any successor
17 thereto), when such placement is solely on the
18 basis of such identification or status; or

19 “(C) the inmate is HIV positive, if the
20 placement is solely on the basis of the HIV
21 positive status of the inmate.

22 “(5) SPECIAL HOUSING UNITS.—The Director
23 shall—

24 “(A) limit administrative segregation—

1 “(i) to situations in which such seg-
2 regation is necessary to—

3 “(I) control a substantial and im-
4 mediate threat that cannot be ad-
5 dressed through alternative housing;
6 or

7 “(II) temporarily house an in-
8 mate pending transfer, pending classi-
9 fication, or pending resolution of an-
10 other temporary administrative mat-
11 ter; and

12 “(ii) to a duration of not more than
13 15 consecutive days, and not more than 20
14 days in a 60-day period, unless—

15 “(I) the inmate requests to re-
16 main in administrative segregation
17 under paragraph (3)(D)(i); or

18 “(II) in order to address the con-
19 tinued existence of a substantial and
20 immediate threat, a multidisciplinary
21 staff committee approves a temporary
22 extension, which—

23 “(aa) may not be longer
24 than 15 days; and

1 “(bb) shall be reviewed by
2 the multidisciplinary staff com-
3 mittee every 3 days during the
4 period of the extension, in order
5 to confirm the continued exist-
6 ence of the substantial and im-
7 mediate threat;

8 “(B) limit disciplinary segregation—

9 “(i) to situations in which such seg-
10 regation is necessary to punish an inmate
11 who has been found to have committed a
12 significant and serious disciplinary infraction
13 by a disciplinary hearing officer and
14 alternative sanctions would not adequately
15 regulate the behavior of the inmate; and

16 “(ii) to a duration of not more than
17 30 consecutive days, and not more than 40
18 days in a 60-day period, unless a multi-
19 disciplinary staff committee, in consulta-
20 tion with the disciplinary hearing officer
21 who presided over the inmate’s disciplinary
22 hearing, determines that the significant
23 and serious disciplinary infraction of which
24 the inmate was found guilty is of such an
25 egregious and violent nature that a longer

1 sanction is appropriate and approves a
2 longer sanction, which—

3 “(I) may be not more than 60
4 days in a special housing unit if the
5 inmate has never before been found
6 guilty of a similar significant and seri-
7 ous disciplinary infraction; or

8 “(II) may be not more than 90
9 days in a special housing unit if the
10 inmate has previously been found
11 guilty of a similar significant and seri-
12 ous disciplinary infraction;

13 “(C) ensure that any time spent in admin-
14 istrative segregation during an investigation
15 into an alleged offense is credited as time
16 served for a disciplinary segregation sentence;

17 “(D) ensure that concurrent sentences are
18 imposed for disciplinary violations arising from
19 the same episode; and

20 “(E) ensure that an inmate may be re-
21 leased from disciplinary segregation for good
22 behavior before completing the term of the in-
23 mate, unless the inmate poses a substantial and
24 immediate threat to the safety of other inmates,
25 staff, or the public.

1 “(6) SPECIAL MANAGEMENT UNITS.—The Di-
2 rector shall—

3 “(A) limit segregation in a special manage-
4 ment unit to situations in which such segrega-
5 tion is necessary to temporarily house an in-
6 mate whose history, behavior, or circumstances
7 require enhanced management approaches that
8 cannot be addressed through alternative hous-
9 ing;

10 “(B) evaluate whether further reductions
11 to the minimum and maximum number of
12 months an inmate may spend in a special man-
13 agement unit are appropriate on an annual
14 basis;

15 “(C) ensure that each inmate understands
16 the status of the inmate in the special manage-
17 ment unit program and how the inmate may
18 progress through the program; and

19 “(D) further reduce the minimum and
20 maximum number of months an inmate may
21 spend in a special management unit if the Di-
22 rector determines such reductions are appro-
23 priate after evaluations are performed under
24 subparagraph (B).

1 “(7) ADMINISTRATIVE MAXIMUM FACILITIES.—

2 The Director shall—

3 “(A) limit segregation in an administrative
4 maximum facility to situations in which such
5 segregation is necessary to—

7 measures, as directed by the Attorney Gen-
8 eral; or

9 “(ii) house an inmate who poses an
10 ongoing significant and serious threat to
11 the safety of other inmates, staff, or the

17 tive Maximum facility, including the United
18 States Penitentiary Administrative Maximum in
19 Florence, Colorado.

20 “(8) RIGHT TO REVIEW PLACEMENT IN SOLI-
21 TARY CONFINEMENT.—The Director shall ensure
22 that each inmate placed in solitary confinement has
23 access to—

24 “(A) written notice thoroughly detailing
25 the basis for placement or continued placement

1 in solitary confinement not later than 6 hours
2 after the beginning of such placement, includ-
3 ing—

4 “(i) thorough documentation explain-
5 ing why such confinement is permissible
6 and necessary under paragraph (1); and

7 “(ii) if an exception under paragraph
8 (2)(A), (3)(D), (4)(A), (4)(B), (5)(A), or
9 (5)(B) is used to justify placement in soli-
10 tary confinement or under paragraph (1)
11 to justify increased restrictive conditions in
12 solitary confinement, thorough documenta-
13 tion explaining why such an exception ap-
14 plied;

15 “(B) a timely, thorough, and continuous
16 review process that—

17 “(i) occurs within not less than 3 days
18 of placement in solitary confinement, and

21 mates in special housing units;

22 “(II) on a monthly basis for in-
23 mates in special management units;
24 and

1 “(III) on a monthly basis for in-
2 mates at an administrative maximum
3 facility;

4 “(ii) includes private, face-to-face
5 interviews with a multidisciplinary staff
6 committee; and

7 “(iii) examines whether—

8 “(I) placement in solitary con-
9 finement was and remains necessary;

10 “(II) the conditions of confine-
11 ment comply with this section; and

12 “(III) whether any exception
13 under paragraph (2)(A), (3)(D),
14 (4)(A), (4)(B), (5)(A), or (5)(B) used
15 to justify placement in solitary con-
16 finement or under paragraph (1) used
17 to justify increased restrictive condi-
18 tions in solitary confinement was and
19 remains warranted;

20 “(C) a process to appeal the initial place-
21 ment or continued placement of the inmate in
22 solitary confinement;

23 “(D) prompt and timely written notice of
24 the appeal procedures; and

1 “(E) copies of all documents, files, and
2 records relating to the inmate’s placement in
3 solitary confinement, unless such documents

5 sensitive security-related information.

6 “(c) MENTAL HEALTH CARE FOR INMATES IN SOLI-

8 “(1) MENTAL HEALTH SCREENING.—Not later
9 than 6 hours after an inmate in the custody of the
10 Bureau of Prisons or any facility that contracts with
11 the Bureau of Prisons to provide housing for in-

15 mental health professional in a confidential setting.

16 “(2) MENTAL HEALTH TREATMENT PRO-
17 GRAM.—An inmate diagnosed with a serious mental

25 address the inmate’s mental health needs.

1 “(3) CONTINUING EVALUATIONS.—After each
2 14-calendar-day period an inmate is held in contin-
3 uous placement in solitary confinement—

4 “(A) a licensed mental health professional
5 shall conduct a comprehensive, face-to-face, out-
6 of-cell mental health evaluation of the inmate in
7 a confidential setting; and

8 “(B) the Director shall adjust the place-
9 ment of the inmate in accordance with this sub-
10 section.

12 employee of the Bureau of Prisons shall immediately
13 notify a member of the medical or mental health
