ADMINISTRATIVE PROVISIONS

The Bureau of Indian Affairs and the Bureau of Indian Education may carry out the operation of Indian programs by direct expenditure, contracts, cooperative agreements, compacts, and grants, either directly or in cooperation with States and other organizations.

Notwithstanding Public Law 87–279 (25 U.S.C. 15), the Bureau of Indian Affairs may contract for services in support of the management, operation, and maintenance of the Power Division of the San Carlos Irrigation Project.

Notwithstanding any other provision of law, no funds available to the Bureau of Indian Affairs or the Bureau of Indian Education for central office oversight and Executive Direction and Administrative Services (except Executive Di-

rection and Administrative Services funding for Tribal Priority Allocations, regional offices, and facilities operations and maintenance) shall be available for contracts, grants, compacts, or cooperative agreements with the Bureau of Indian Affairs or the Bureau of Indian Education under the provisions of the Indian Self-Determination Act or the Tribal Self-Governance Act of 1994 (Public Law 103–413).

In the event any tribe returns appropriations made available by this Act to the Bureau of Indian Affairs or the Bureau of Indian Education, this action shall not diminish the Federal Government's trust responsibility to that tribe, or the government-to-government relationship between the United States and that tribe, or that tribe's ability to access future appropriations.

Notwithstanding any other provision of law, no funds available to the Bureau of Indian Education, other than the amounts provided herein for assistance to public schools under 25 U.S.C. 452 et seq., shall be available to support the operation of any elementary or secondary school in the State of Alaska.

No funds available to the Bureau of Indian Education shall be used to support expanded grades for any school or dormitory beyond the grade structure in place or approved by the Secretary of the Interior at each school in the Bureau of Indian Education school system as of October 1, 1995, except

that the Secretary of the Interior may waive this prohibition to support expansion of up to one additional grade when the Secretary determines such waiver is needed to support accomplishment of the mission of the Bureau of Indian Education, or more than one grade to expand the elementary grade structure for Bureau-funded schools with a K–2 grade structure on October 1, 1996. Appropriations made available in this or any prior Act for schools funded by the Bureau shall be available, in accordance with the Bureau’s funding formula, only to the schools in the Bureau school system as of September 1, 1996, and to any school or school program that was reinstated in fiscal year 2012. Funds made available under this Act may not be used to establish a charter school at a Bureau-funded school (as that term is defined in section 1141 of the Education Amendments of 1978 (25 U.S.C. 2021)), except that a charter school that is in existence on the date of the enactment of this Act and that has operated at a Bureau-funded school before September 1, 1999, may continue to operate during that period, but only if the charter school pays to the Bureau a pro rata share of funds to reimburse the Bureau for the use of the real and personal property (including buses and vans), the funds of the charter school are kept separate and apart from Bureau funds, and the Bureau does not assume any obligation for charter school programs of the State in which the school is located if the

charter school loses such funding. Employees of Bureau-funded schools sharing a campus with a charter school and performing functions related to the charter school's operation and employees of a charter school shall not be treated as Federal employees for purposes of chapter 171 of title 28, United States Code.

Notwithstanding any other provision of law, including section 113 of title I of appendix C of Public Law 106–113, if in fiscal year 2003 or 2004 a grantee received indirect and administrative costs pursuant to a distribution formula based on section 5(f) of Public Law 101–301, the Secretary shall continue to distribute indirect and administrative cost funds to such grantee using the section 5(f) distribution formula.

Funds available under this Act may not be used to establish satellite locations of schools in the Bureau school system as of September 1, 1996, except that the Secretary may waive this prohibition in order for an Indian tribe to provide language and cultural immersion educational programs for non-public schools located within the jurisdictional area of the tribal government which exclusively serve tribal members, do not include grades beyond those currently served at the existing Bureau-funded school, provide an educational environment with educator presence and academic facilities comparable to the Bureau-funded school, comply with all applicable Tribal, Federal, or State health and safety standards, and

the Americans with Disabilities Act, and demonstrate the benefits of establishing operations at a satellite location in lieu of incurring extraordinary costs, such as for transportation or other impacts to students such as those caused by busing students extended distances: *Provided*, That no funds available under this Act may be used to fund operations, maintenance, rehabilitation, construction, or other facilities-related costs for such assets that are not owned by the Bureau: *Provided further*, That the term “satellite school” means a school location physically separated from the existing Bureau school by more than 50 miles but that forms part of the existing school in all other respects.

by sections 9(d) and 9(e) of the United States Housing Act of 1937 (42 U.S.C. 1437g(d), (e)), the Secretary shall not impose any requirement or guideline relating to asset management that restricts or limits in any way the use of capital funds for central office costs pursuant to paragraph (1) or (2) of section 9(g) of the United States Housing Act of 1937 (42 U.S.C. 1437g(g)(1), (2)): *Provided*, That a public housing agency may not use capital funds authorized under section 9(d) for activities that are eligible under section 9(e) for assistance with amounts from the operating fund in excess of the amounts permitted under paragraph (1) or (2) of section 9(g).

SEC. 215. SEC. 217. Payment of attorney fees in program-related litigation shall be paid from the individual program office and Office of General Counsel salaries and expenses appropriations.

SEC. 218. The Secretary is authorized to transfer up to 10 percent or \$5,000,000, whichever is less, of funds appropriated for any office under the headings “Administrative Support Offices” or “Program Offices” to any other such office under such headings: *Provided*, That no appropriation for any such office under such headings shall be increased or decreased by more than 10 percent or \$5,000,000, whichever is less, without prior written approval of the House and Senate Committees on Appropriations: *Provided further*, That the Secretary shall provide notification to such Committees 3

business days in advance of any such transfers under this section up to 10 percent or \$5,000,000, whichever is less.

SEC. 219. Such requirements shall apply to insured and noninsured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C.

1437f), but shall not apply to such units assisted under section 8(o)(13) of such Act (42 U.S.C. 1437f(o)(13)) or to public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

(c)(1) Within 15 days of the issuance of the Real Estate Assessment Center (“REAC”) inspection, the Secretary shall provide the owner with a Notice of Default with a specified timetable, determined by the Secretary, for correcting all deficiencies. The Secretary shall provide a copy of the Notice of Default to the tenants, the local government, any mortgagees, and any contract administrator. If the owner’s appeal results in a passing score, the Secretary may withdraw the Notice of Default.

(C) abate the section 8 contract, including partial abatement, as determined by the Secretary, until all deficiencies have been corrected;

(D) pursue transfer of the project to an owner, approved by the Secretary under established procedures, who will be obligated to promptly make all required repairs and to accept renewal of the assistance contract if such renewal is offered;

(E) transfer the existing section 8 contract to another project or projects and owner or owners;

(F) pursue exclusionary sanctions, including suspensions or debarments from Federal programs;

(G) seek judicial appointment of a receiver to manage the property and cure all project deficiencies or seek a judicial order of specific performance requiring the owner to cure all project deficiencies;

(I) take any other regulatory or contractual remedies available as deemed necessary and appropriate by the Secretary.

(d) The Secretary shall take appropriate steps to ensure that project-based contracts remain in effect, subject to the exercise of contractual abatement remedies to assist relocation of tenants for major threats to health and safety after written notice to the affected tenants. To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (“MAHRAA”); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance.

(e) The Secretary shall report semi-annually on all properties covered by this section that are assessed through the Real Estate Assessment Center and have failing physical inspection scores or have received an unsatisfactory management and occupancy review within the past 36 months. SEC. 225. None of the funds provided in this Act or any other Act may be used for awards, including performance, special act, or spot, for any employee of the Department of Housing and Urban Development subject to administrative discipline (including suspension from work), in this fiscal year, but this prohibition shall not be effective prior to the effective date of any such administrative discipline or after any final decision over-turning such discipline.

conversion: *Provided further*, That to facilitate the conversion of assistance under the previous proviso, the Secretary may transfer an amount equal to the total amount that would have been allocated for tenant protection voucher assistance for properties that have requested such conversions from amounts made available for tenant protection voucher assistance under the heading ‘Tenant-Based Rental Assistance’ to the heading ‘Project-Based Rental Assistance’: *Provided further*, That at properties with assistance previously converted hereunder to assistance under the heading ‘Project-Based Rental Assistance,’ which are also separately assisted under section 8(o)(13) of the Act, the Secretary may, with the consent of the public housing agency and owner, terminate such project-based subsidy contracts and immediately enter into one new project-based subsidy contract under section 8 of the Act, which shall be eligible for renewal under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997, subject to the requirement that any residents assisted under section 8(o)(13) of the Act at the time of such termination of such project-based subsidy contract shall retain all rights accrued under section 8(o)(13)(E) of the Act under the new project-based subsidy contract and section 8(o)(13)(F)(iv) of the Act shall not apply: *Pro-*

for a formula allocation in the next applicable formula allocation cycle) by the amount of any such funding error, and (b) reallocating any available balances that are attributable to the offset to the recipient or recipients that would have been allocated additional funds in the formula allocation cycle in which any such error occurred (if such recipient or recipients are eligible for a formula allocation in the next applicable formula allocation cycle) in an amount proportionate to such recipient's eligibility under the next applicable formula allocation cycle: *Provided*, That all offsets and reallocations from such available balances shall be recorded against funds available for the next applicable formula allocation cycle: *Provided further*, That the term "next applicable formula allocation cycle" means the first formula allocation cycle for a program that is reasonably available for correction following such a Secretarial determination: *Provided further*, That if, upon request by a recipient and giving consideration to all Federal resources available to the recipient for the same grant purposes, the Secretary determines that the offset in the next applicable formula allocation cycle would critically impair the recipient's ability to accomplish the purpose of the formula grant, the Secretary may adjust for the funding error across two or more formula allocation cycles.
