6 SEC. 209. (a) Notwithstanding any other provision
7 of law, subject to the conditions listed under this section,
8 for fiscal years 2025 and 2026, the Secretary of Housing
9 and Urban Development may authorize the transfer of
10 some or all project-based assistance, debt held or insured
11 by the Secretary and statutorily required low-income and
12 very low-income use restrictions if any, associated with one
13 or more multifamily housing project or projects to another
14 multifamily housing project or projects.

15 (b) PHASED TRANSFERS.—Transfers of project-
16 based assistance under this section may be done in phases
17 to accommodate the financing and other requirements re-
18 lated to rehabilitating or constructing the project or
19 projects to which the assistance is transferred, to ensure
20 that such project or projects meet the standards under
21 subsection (c).

22 (c) The transfer authorized in subsection (a) is sub-
23 ject to the following conditions:

24 (1) NUMBER AND BEDROOM SIZE OF UNITS.—

1 (A) For occupied units in the transferring
2 project: The number of low-income and very
3 low-income units and the configuration (i.e.,
4 bedroom size) provided by the transferring
5 project shall be no less than when transferred
6 to the receiving project or projects and the net
7 dollar amount of Federal assistance provided to
8 the transferring project shall remain the same
9 in the receiving project or projects. The Sec-
10 retary, upon determination of good cause, in-
11 cluding a determination that there will be no
12 loss of assistance to currently assisted house-
13 holds, may authorize a different number of such
14 units or a change in such configuration, or
15 both, at the receiving project or projects in the
16 event there is a transfer of use restrictions
17 without an associated transfer of project-based
18 assistance to the receiving project. The Sec-
19 retary shall publish a notice in the Federal Reg-
20 ister for public comment containing the criteria
21 for determinations of good cause no less than
22 60 days before the effective date of such notice.

23 (B) For unoccupied units in the transfer-
24 ring project: The Secretary may authorize a re-
25 duction in the number of dwelling units in the

1 receiving project or projects to allow for a re-
2 configuration of bedroom sizes to meet current
3 market demands, as determined by the Sec-
4 retary and provided there is no increase in the
5 project-based assistance budget authority.

6 (2) The transferring project shall, as deter-
7 mined by the Secretary, be either physically obsolete
8 or economically nonviable, or be reasonably expected
9 to become economically nonviable when complying
10 with State or Federal requirements for community
11 integration and reduced concentration of individuals
12 with disabilities.

13 (3) The receiving project or projects shall meet
14 or exceed applicable physical standards established
15 by the Secretary.

21 (5) The tenants of the transferring project who
22 remain eligible for assistance to be provided by the
23 receiving project or projects shall not be required to
24 vacate their units in the transferring project or

1 projects until new units in the receiving project are
2 available for occupancy.

3 (6) The Secretary determines that this transfer
4 is in the best interest of the tenants.

5 (7) If either the transferring project or the re-
6 ceiving project or projects meets the condition speci-
7 fied in subsection (d)(2)(A), any lien on the receiv-
8 ing project resulting from additional financing ob-
9 tained by the owner shall be subordinate to any
10 FHA-insured mortgage lien transferred to, or placed
11 on, such project by the Secretary, except that the
12 Secretary may waive this requirement upon deter-
13 mination that such a waiver is necessary to facilitate
14 the financing of acquisition, construction, and/or re-
15 habilitation of the receiving project or projects.

16 (8) If the transferring project meets the re-
17 quirements of subsection (d)(2), the owner or mort-
18 gator of the receiving project or projects shall exe-
19 cute and record either a continuation of the existing
20 use agreement or a new use agreement for the
21 project where, in either case, any use restrictions in
22 such agreement are of no lesser duration than the
23 existing use restrictions.

24 (9) The transfer does not increase the cost (as
25 defined in section 502 of the Congressional Budget

1 Act of 1974 (2 U.S.C. 661a)) of any FHA-insured
2 mortgage, except to the extent that appropriations
3 are provided in advance for the amount of any such
4 increased cost.
