H. R. 5583

To amend parts B and E of title IV of the Social Security Act to remove barriers and encourage kinship guardianship, foster, or adoptive placements for children who cannot be safely cared for in their own homes, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 26, 2025

Ms. KAMLAGER-DOVE (for herself, Ms. MOORE of Wisconsin, and Ms. SCANLON) introduced the following bill; which was referred to the Committee on Ways and Means

A BILL

To amend parts B and E of title IV of the Social Security Act to remove barriers and encourage kinship guardianship, foster, or adoptive placements for children who cannot be safely cared for in their own homes, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Promoting Perma-
5 nency Through Kinship Families Act”.

6 **SEC. 2. FINDINGS AND PURPOSES.**

7 (a) FINDINGS.—Congress finds the following:

1 (1) Reunification with parents, permanent
2 placement with extended family members, and adop-
3 tion are all permanency options for children who are
4 in, or at risk for entering or re-entering, foster care.

5 (2) The estimated lifetime cost of foster youth
6 who age out of foster care is approximately \$6.9 bil-
7 lion. On an annual basis, approximately 23,000
8 youth age out of foster care (reach the maximum
9 age a State will support them without reunification
10 with family or being placed in a permanent home)
11 with no legal family ties. Over 20 percent of youth
12 who age out of foster care become homeless, 60 per-
13 cent of sex trafficked youth come from foster care,
14 and 25 percent of youth become involved in the
15 criminal justice system within 2 years of aging out
16 of foster care. When family reunification and kinship
17 guardianship, foster, and adoptive placements are
18 promoted and supported, children's family connec-
19 tions and family relationships can reverse such ad-
20 verse adult outcomes.

21 (3) Foster care is intended to be temporary.
22 The best interests of children in safe, stable, and
23 permanent placements are paramount. At the same
24 time, absent aggravating circumstances, it is in the
25 best interests of children for parents to be provided

1 individualized services, supports, and time needed to
2 address the reasons for foster care or other tem-
3 porary placements of their children.

4 (4) Where kinship placements can safely be
5 made, extended family members available for such
6 placements often face financial and other barriers
7 related to access to health and mental health serv-
8 ices and supports, crisis stabilization services, and
9 other service supports.

10 (5) The United States has a unique and direct
11 interest, as trustee, in protecting the best interests
12 of Indian children including supporting safe and per-
13 manent placements that preserve a child's sense of
14 belonging and connection, including to extended
15 family when reunification with parents is not safe or
16 possible.

17 (b) PURPOSE.—The purposes of this Act are to pro-
18 mote kinship care as an essential permanency option for
19 children and youth, to remove barriers to children's safe
20 care by relatives and fictive kin when such children cannot
21 be safely cared for by their parents, and to support the
22 provision of resources and services to kin caregivers.

1 **SEC. 3. PROMOTING PERMANENCY PLACEMENTS FOR**
2 **CHILDREN AND YOUTH.**

3 (a) STATE PLAN REQUIREMENT RELATING TO PRO-
4 VISION OF CHILD WELFARE SERVICES.—Section
5 422(b)(7) of the Social Security Act (42 U.S.C. 622(b)(7))
6 is amended by striking “provide for the diligent recruit-
7 ment” and inserting “substantiate with clear and con-
8 vincing data and analysis that the agency administering
9 or supervising the administration of the plan is addressing
10 disproportionality in the State child welfare system, and
11 disparities in access to community-based services, array,
12 and contracting, provide for locating and involving rel-
13 atives and fictive kin as a regular and ongoing part of
14 case planning, for addressing barriers to family involve-
15 ment, and provide for the diligent recruitment”.

16 (b) FOSTER CARE AND ADOPTION ASSISTANCE.—
17 Section 471(a)(19) of such Act (42 U.S.C. 671(a)(19))
18 is amended by striking “shall consider” and inserting
19 “shall make and document prompt, active, and continuous
20 efforts to identify and locate relatives or fictive kin as a
21 potential kinship guardianship, foster or adoptive place-
22 ment, and family support resources, and must consider”.

23 (c) CASE REVIEW.—Section 475(5)(A) of such Act
24 (42 U.S.C. 675(5)(A)) is amended—

25 (1) in clause (i), by striking “, and” and insert-
26 ing a semicolon;

1 (2) in clause (ii), by striking the comma at the
2 end and inserting a semicolon; and

3 (3) by adding at the end the following:

4 “(iii) if the State determines that kin-
5 ship guardianship, foster, or adoptive
6 placement with any relative or fictive kin is
7 not in the child’s best interest or that the
8 relative or fictive kin does not meet the re-
9 quirements of a relative caregiver, docu-
10 ments the basis for that determination
11 with clear and convincing evidence;

12 “(iv) if the State determines that the
13 child requires placement in an environment
14 other than a home environment, ensures
15 that the State shall make prompt, active,
16 and continuous efforts to identify and lo-
17 cate relatives or fictive kin to serve as visi-
18 tation resources of the child and potential
19 future placement resources;

20 “(v) if the State determines that ef-
21 forts to identify and locate relatives and
22 fictive kin would be futile or inconsistent
23 with the child’s best interests, documents
24 the basis of its determination with clear
25 and convincing evidence; and

1 “(vi) if the child is residing in a kin-
2 ship placement, describes reasonable ef-
3 forts the State will make to maintain the
4 child in the kinship home and not remove
5 the child from the kinship home except to
6 effectuate a permanency goal of reunifica-
7 tion or upon a showing by clear and con-
8 vincing evidence that remaining in the kin-
9 ship placement is contrary to the welfare
10 of the child.”.

11 (d) GREATER FLEXIBILITY FOR STATES AND FAMI-
12 LIES.—Section 475(5)(E) of the Social Security Act (42
13 U.S.C. 675(5)(E)) is amended to read as follows:

14 “(E) in the case of a child who has been
15 in foster care under the responsibility of the
16 State for 24 consecutive months, or, if a court
17 of competent jurisdiction has determined a child
18 to be an abandoned infant (as defined under
19 State law) or has made a determination that
20 the parent has committed murder of another
21 child of the parent, committed voluntary man-
22 slaughter of another child of the parent, aided
23 or abetted, attempted, conspired, or solicited to
24 commit such a murder or such a voluntary
25 manslaughter, or committed a felony assault

1 that has resulted in serious bodily injury to the
2 child or to another child of the parent, the
3 State may file or join a petition for modification
4 or termination of parental rights and, concur-
5 rently, identify, recruit, process, and approve a
6 qualified family (including the child’s extended
7 family) for an adoption, only after dem-
8 onstrating by clear and convincing evidence that
9 the State—

10 “(i) has demonstrated compelling rea-
11 sons why such modification or termination
12 is in the best interest of the child;

13 “(ii) has provided to the family of the
14 child such services, supports, and time
15 needed to address the reasons for the
16 child’s removal and enable the family to
17 safely reunify; and

18 “(iii) if the child is living with a kin-
19 ship (including fictive kinship) caregiver,
20 has provided a meaningful opportunity for
21 such caregiver to express an opinion as to
22 whether such modification or termination
23 is in the best interests of the child and has
24 documented such opinion in the case plan
25 of the child;

1 except that, in the case of a child to whom this
2 subparagraph applies solely because the child
3 has been in foster care under the responsibility
4 of the State for 24 consecutive months, the
5 State may not file or join such a petition if a
6 parent of the child is actively engaged in serv-
7 ices to address the reasons the child entered
8 care (including treatment for substance use dis-
9 order, mental health concerns, or parenting
10 skills), if based principally on the incarceration
11 of a parent, or if based principally on the deten-
12 tion of the parent by the Department of Home-
13 land Security or the deportation of the par-
14 ent;”.

15 (e) EFFECTIVE DATE.—

16 (1) IN GENERAL.—The amendments made by

3 1 of part B or part E of title IV of the Social Secu-
4 rity Act to meet the additional requirements imposed
5 by the amendments made by this section, the plan

7 additional requirements before the first day of the
8 first calendar quarter beginning after the first reg-
9 ular session of the State legislature that begins after
10 the date of the enactment of this Act. For purposes
11 of the preceding sentence, if the State has a 2-year
12 legislative session, each year of the session is deemed
13 to be a separate regular session of the State legisla-
14 ture.

15 (3) APPLICATION TO PROGRAMS OPERATED BY
16 INDIAN TRIBAL ORGANIZATIONS.—In the case of an
17 Indian tribe, tribal organization, or tribal consortium
18 which the Secretary of Health and Human Services
19 determines requires time to take action necessary to
20 comply with the additional requirements imposed by
21 the amendments made by this section (whether the
22 tribe, organization, or tribal consortium has a plan
23 under section 479B of the Social Security Act or a
24 cooperative agreement or contract entered into with
25 a State), the Secretary shall provide the tribe, orga-

1 nization, or tribal consortium with such additional
2 time as the Secretary determines is necessary for the
3 tribe, organization, or tribal consortium to take the
4 action to comply with the additional requirements
5 before being regarded as failing to comply with the
6 requirements.
