

116TH CONGRESS
1ST SESSION

H. R. 3599

To establish a grant program for States and Indian Tribes to enroll individuals purchasing firearms and holders of licenses or permits to possess, carry, sell, or transfer firearms into the FBI's Rap Back program.

IN THE HOUSE OF REPRESENTATIVES

JUNE 28, 2019

Ms. ADAMS introduced the following bill; which was referred to the Committee on the Judiciary

A BILL

To establish a grant program for States and Indian Tribes to enroll individuals purchasing firearms and holders of licenses or permits to possess, carry, sell, or transfer firearms into the FBI's Rap Back program.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Law Enforcement
5 Needs to Know Act”.

6 **SEC. 2. SENSE OF CONGRESS.**

7 It is the sense of Congress that—

1 (1) The National Instant Criminal Background
2 Check System (NICS), which is used to conduct
3 background checks on individuals as they purchase
4 a gun from federally licensed firearms dealers, pro-
5 vides a one-time snapshot view of an individual's
6 criminal history status. It does not, however, provide
7 notice to Federal, State, or local law enforcement of-
8 ficials if a firearm owner later falls into a category
9 of people prohibited by law from possessing fire-
10 arms.

11 (2) Law enforcement should be notified when a
12 firearm license or permit holder loses his or her legal
13 eligibility for the license or permit through criminal
14 activity anywhere in the country.

15 (3) The Rap Back Service is a capability of the
16 Federal Bureau of Investigation's Next Generation
17 Identification (NGI) system. The Rap Back Service
18 provides notice to authorized agencies of activity of
19 licensed individuals that might impact their contin-
20 ued eligibility for a license. Enrollment in the Rap
21 Back Service eliminates the need for repeated back-
22 ground checks on a person in order to determine
23 whether they continue to be eligible for their license.

24 (4) In 2012, the Government Accountability Of-
25 fice issued a report based on a survey of State con-

1 cealed carry permitting systems. The report found
2 that 6 of the 9 States surveyed used in-State rap
3 back services to monitor the continued eligibility of
4 concealed carry permit holders. The report also found
5 that the FBI’s nationwide Rap Back Service may
6 provide States with “the opportunity to subscribe to
7 this service and automatically be notified of subse-
8 quent arrests across the United States for crimes
9 committed by permit holders.”.

10 **SEC. 3. GRANT PROGRAM.**

11 (a) IN GENERAL.—The Attorney General shall award
12 grants to States and Indian Tribal governments to assist

23 fingerprints in connection with such pur-
24 chase, which fingerprints shall be sufficient
25 to enroll the individual in the Rap Back

1 Service upon the completion of the sale of
2 the firearm; and

3 (ii) requires each agency that facili-
4 tates the sale of the firearm to ensure that
5 the individual is enrolled in the Rap Back
6 Service; and

7 (B) in the case of a State or Indian Tribal
8 government that issues licenses for an indi-
9 vidual to purchase, possess, transfer, acquire, or
10 carry a firearm in some or all circumstances or
11 locations—

12 (i) requires the individual to provide
13 fingerprints in connection with an applica-
14 tion for the issuance or renewal of such a
15 license, which fingerprints shall be suffi-
16 cient to enroll the individual in the Rap
17 Back Service upon the completion of the
18 sale of the firearm; and

19 (ii) requires each agency that issues
20 or renews such license to ensure that the
21 individual is enrolled in the Rap Back
22 Service.

23 (2) APPLICATION.—A requirement for a law de-

13 scribed in paragraph (1);

16 (4) enroll such individuals in the Rap Back
17 Service; or

18 (5) collect and analyze data to measure compli-
19 ance with the level of enrollment of such individuals
20 in the Rap Back Service.

21 (d) MATCHING FUNDS.—The portion of the costs of
22 an activity provided by a grant under subsection (a) may
23 not exceed 50 percent, unless the Attorney General waives,
24 wholly or in part, the requirement under this subsection
25 of a non-Federal contribution to the costs of an activity.

1 (e) AUTHORIZATION OF APPROPRIATIONS.—There is
2 authorized to be appropriated such sums as may be nec-
3 essary to carry out this section.

4 (f) CONSISTENCY WITH NATIONAL CRIMINAL HIS-
5 TORY IMPROVEMENT PROGRAM.—The Attorney General
6 shall carry out the grant program under this section in
7 a manner that is consistent with the National Criminal
8 History Improvement Program.
