Endorsement Process

Primary Election

Firearms Owners Against Crime “**Recommends**” candidates in the Primary Election. The purpose of recommending candidates in the Primary election is to notify voters of all the pro Second Amendment and Pennsylvania Constitution candidates to enhance the probability of electing a Second Amendment and Pennsylvania Constitution candidate in the General Election.

General Election

Firearms Owners Against Crime “**Endorses**” a candidate for a specific office in the General Election. The purpose of endorsing a candidate in the general election is to increase the chances of the best candidate getting elected.

Endorsement Process Steps

All candidates for public office will receive a questionnaire from Firearms Owners Against Crime regarding issues concerning the Right to Keep and Bear Arms. Firearms Owners Against Crime aggressively solicits each candidate to complete their questionnaire via United States Mail, Email and thru direct contact. Firearms Owners Against Crime makes every attempt to allow each candidate to complete the questionnaire.

The questionnaires are evaluated and graded. When necessary Firearms Owners Against Crime will contact the candidate for clarification or educational purposes.

In addition where possible Firearms Owners Against Crime will compile public statements or other documents that can be obtained to assist in the candidates evaluation.

Incumbent Policy

Firearms Owners Against Crime has long standing policy of endorsing pro-2nd Amendment and Pennsylvania Constitution – Article 1, Section 21 – ‘incumbents’ based on the fact that these serving legislators have had the opportunity to ‘demonstrate their commitment’ to our Constitution and our Rights by co-sponsoring, introducing and voting on both pro and anti-gun legislation. As part of the incumbent evaluation the following items are taken into account.

- Voting record on Pro-Second Amendment and Pennsylvania Constitution bills.
- Voting record on Pro-Second Amendment and Pennsylvania Constitution amendments to bills.
- Voting record on Anti-Second Amendment and Pennsylvania Constitution bills.
- Voting record on Anti-Second Amendment and Pennsylvania Constitution amendments to bills.
- Sponsorship on Pro-Second Amendment and Pennsylvania Constitution bills.
- Co-Sponsorship on Pro-Second Amendment and Pennsylvania Constitution bills.
- Introducing Pro-Second Amendment and Pennsylvania Constitution amendments to bills.
- Sponsorship on Anti-Second Amendment and Pennsylvania Constitution bills.
- Co-Sponsorship on Anti-Second Amendment and Pennsylvania Constitution bills
- Introducing Anti-Second Amendment and Pennsylvania Constitution amendments to bills.

Endorsement Process Scenarios

- 1.) Incumbent with Pro Second Amendment and Pennsylvania Constitution voting record. Recommended in Primary Election and Endorsed in General Election. (Pro-2nd Amendment and Pennsylvania Constitution – Article 1, Section 21 – candidates from all parties will be recommended in the Primary without regard to favoritism or partisan influence.)
- 2.) A New candidate with a good questionnaire will be recommended in the Primary Election. If there is no opposition the candidate will be endorsed in the general election. (If they are opposing A Pro Second Amendment and Pennsylvania Constitution incumbent they will not be endorsed)
- 3.) New candidates with good questionnaires from both parties will be recommended in the primary. Firearms Owners Against Crime will evaluate both candidates to determine which candidate will be endorsed. (In ‘rare’ circumstances FOAC has issued a dual endorsement when both candidates are exceptional in their views.)

Firearm Owners Against Crime (FOAC) is non-partisan, non-connected Political Action Committee organized to empower all gun owners, outdoors enthusiasts and supporters of the 2nd Amendment to the Bill of Rights of the U.S. Constitution and Article 1 Section 21 of the PA Constitution with the tools and information necessary to protect this freedom from transgression. Candidates for office are evaluated every election cycle, approved, placed on an FOAC voter guide and distributed throughout the region.
