NIJ memo shows new gun laws can only 'work' with registration, confiscation

Ask Obama's Experts (NRAVideos)

Kurt Hofmann
St. Louis Gun Rights Examiner

February 14, 2013

St. Louis Gun Rights Examiner is a frequent and vocal critic of the NRA (see **here** and **here** for recent examples), often wondering if the organization's leadership is merely naively optimistic, à la **Neville Chamberlain**, in its dealings with the forcible citizen disarmament extremists, or actively collaborationist, à la **Vidkun Quisling**. Honesty requires, however, acknowledgement of effective steps the NRA *does* take in defense of gun rights.
